ABOUT ME

I am developer and a recent graduate of a Computer Science Engineering program. Currently, I am in my third year of studying Btech in computer science at Gec Thrissur. In addition to my web development skills, I have a strong ability to solve problems and have regularly participated in online coding challenges on platforms like GeeksforGeeks, HackerRank and LeetCode, where I have gained experience in data structures and al-gorithms. I have experience using languages like java, python, and C. I was also par-ticipated MEGATHON , a national level HACKETHON.

LANGUAGES

English : Intermediate

Malayalam : Native
